

# THE CLEVER CRANESTORM CAPER

Thursday, March 29, 2012 • 6-8 pm  
Museum of Nebraska Art • Kearney, Neb

Brain Injury Association of Nebraska Fundraiser

The Clever Cranestorm Caper features teams in a competition that's part race, part puzzle-solving and all fun in order to raise money for the Brain Injury Association of Nebraska (BIA-NE). The evening at the Museum of Nebraska Art in Kearney also includes dinner and a showing of origami crane artwork that resulted from our Cranestorm campaign.

## HELP US CONTINUE TO MEET THE NEEDS OF NEBRASKANS WITH BRAIN INJURIES

Proceeds from this event help the BIA-NE develop additional resources to meet the needs of Nebraskans with brain injuries and their families, advocate for their needs, strengthen support groups in the state, provide education for professionals and promote prevention.

All sponsors receive two spectator passes, publicity at the Brain Injury Conference, signage at the fundraising event, sponsor signs on the backs of the team members, and listings and photos on the BIA-NE home page, unless otherwise noted.
