

Why Sponsor BIA-NE Events?

The Brain Injury Alliance of Nebraska is the only statewide nonprofit working to create a better future for all Nebraskans living with a disability due to brain injury. BIA-NE has had an impact on thousands of Nebraskans throughout the state by focusing on:

Prevention: Reducing the number of brain injuries through quality education about sports injuries, occupant restraint use, domestic violence and falls.

Education: Providing cutting edge information about brain injury through an annual, statewide conference, as well as events and community trainings.

Advocacy: Serving as a voice for individuals with brain injuries and their families through a strong presence at the state capitol and in the community.

Support: Providing assistance to individuals, friends, and family through resource facilitation and maintaining a list of statewide support groups.

Your sponsorship dollars secure the future of brain injury in Nebraska and allow BIA-NE to connect with a wide range of audiences throughout the state of Nebraska. From survivors to caregivers, medical professionals and law enforcement agencies - BIA-NE reaches them all, and so can you.

The Nebraska Brain Injury Conference is a two day event drawing around 250 participants from across Nebraska and the Midwest who come together annually to learn more about brain injury and network with industry partners.

Sixty percent of participants are professionals and forty percent are individuals with brain injury and their family members or caregivers.
