Fundraising Event

Your donation supports Nebraskans with brain injuries and their families. Brain Injury Alliance of Nebraska (BIA-NE) is a statewide, nonprofit organization. The BIA-NE is exclusively dedicated to the tens of thousands of Nebraskans living with the life-altering effects of brain injuries. We work to create a better future for all Nebraskans impacted by brain injuries. No family should have to face the challenges associated with a brain injury alone. *To learn more visit www.biane.org.*

If you have any questions about this race, walk, roll, please contact the race, walk, roll director at elle@biane.org
